ABOUT US

Le Frehindi, supported by the Indian Embassy, dedicates itself to empowering youth as global citizens. Our programs tackle pressing issues like educational inequality, environmental conservation, substance abuse, discrimination, poverty, and violence.

Through transformative initiatives, we instill a passion for personal growth and learning, encouraging individuals to contribute meaningfully to a brighter future for themselves and the world.

SAFETY & SECURITY

The highest standard of safety & security is observed while dealing with groups, especially minors. This is reflected in Le Frehindi bringing the first group from India to France & the first group from France to India post-pandemic.

OUR PHILOSOPHY

Le Frehindi initiates grassroots movements through diverse programs such as cultural exchanges, scholastic tours, and linguistic programs, including study abroad opportunities. From Auroville experiences to global camps and teacher tours, our initiatives aim to instill essential values in students and educators. Our goal is to nurture future leaders dedicated to constructing a united world.
